

ACROPOLIS INSTITUTE OF TECHNOLOGY & RESEARCH

Indore, Madhya Pradesh

RAG KNOWLEDGE BASE | Updated: May 22, 2026

This document is structured for use as a RAG (Retrieval-Augmented Generation) knowledge base. It contains verified, current institutional data for AITR, Indore — covering institute overview, leadership, departments, programmes, placements, facilities, admissions, and AI response guidelines.

1. INSTITUTE OVERVIEW

Acropolis Institute of Technology and Research (AITR) is one of Central India's premier private engineering institutions. Established in 2005 under the Acropolis Group of Institutions, AITR has consistently delivered industry-aligned technical education, earning NAAC 'A' Grade accreditation, NBA accreditation, and AICTE approval. The institute is renowned for its modern infrastructure, strong placement record, and commitment to emerging technologies including AI, Data Science, IoT, VLSI, and Cyber Security.

Full Name	Acropolis Institute of Technology and Research (AITR)
Short Name	AITR
Type	Private Engineering College
Established	2005
Campus Address	Bypass Road, Manglia Square, Manglia, Indore, Madhya Pradesh - 453771
City Office	301, Starlit Tower, Yeshwant Niwas Road, Indore, Madhya Pradesh - 452003
Phone	0731-4730000, 4730001
Email	info@acropolis.in admission@acropolis.in
Website	https://aitr.ac.in
Affiliations	Rajiv Gandhi Proudhyogiki Vishwavidyalaya (RGPV), Bhopal — B.Tech, M.Tech; Devi Ahilya Vishwavidyalaya (DAVV), Indore — MBA, MCA
Accreditations	NAAC 'A' Grade AICTE Approved NBA Accredited NABL (Civil Engg. Lab)
Total Students	5,500+
Academic Staff	350+
Administrative Staff	100+
ERP Portal	https://erp.acropolis.in

2. LEADERSHIP & ADMINISTRATION

Chairman (BoG)	Shri A. K. Sojatia
Group Chairman	Shri Ashish Sojatia

Group Chairman	Shri Gaurav Sojatia
Secretary	Shri Anand Sojatia
Director	Dr. S. C. Sharma
Group Director – CDC/Placements	Prof. Atul N. Bharat (20+ years in campus recruitment, Madhya Pradesh)
Sr. Manager – Placements	Mr. Rajesh Tyagi
Manager – Placement & Training	Mr. Amit Shrivastava

3. DEPARTMENTS & HEADS OF DEPARTMENT (HODs)

AITR houses technically strong, research-oriented departments each led by experienced faculty. All HODs hold doctoral qualifications with significant academic and industry exposure.

Department	HOD Name	Contact Email
Computer Science & Engineering (CSE)	Dr. Kamal Kumar Sethi (Professor & Head)	—
Computer Science & IT (CSIT)	Dr. Shilpa Bhalerao (Ph.D, CS; 24+ yrs experience)	hodcsit@acropolis.in
Information Technology (IT)	Dr. (Prof.) Prashant Lakkadwala	—
Electronics & Communication Engg. (ECE)	Mr. U. B. S. Chandrawat (Uday Bhanu Singh Chandrawat)	—
Mechanical Engineering (ME)	Details available via department office	—
Civil Engineering (CE)	Details available via department office	—
Master of Computer Application (MCA / IMCA)	Prof. Geeta Santhosh (Professor & Head; MCA, Ph.D)	hodfca@acropolis.in
MBA	Details available via department office	—
Physics	Dr. Sushma Patidar (Associate Professor & Head; Ph.D, M.Tech, M.Sc)	hodphysics@acropolis.in
Humanities	Prof. Sumitra Joshi	—
Mathematics	Details available via department office	—
Chemistry	Details available via department office	—

4. PROGRAMMES OFFERED

4.1 Under-Graduate (B.Tech) — 4 Years

- B.Tech CSE (Core / Indian Language)
- B.Tech CSIT – Computer Science & Information Technology
- B.Tech IT – Information Technology
- B.Tech CSE (Data Science)
- B.Tech CSE (Internet of Things – IoT)
- B.Tech CSE (Cyber Security)
- B.Tech CSE (Artificial Intelligence & Machine Learning – AIML)

- B.Tech Civil Engineering (CE)
- B.Tech Mechanical Engineering (ME)
- B.Tech Electronics & Communication Engineering (ECE)
- B.Tech Electronics Engg. (Advanced Communication Technology – ACT)
- B.Tech Electronics Engg. (VLSI Design & Technology)

4.2 Post-Graduate Programmes

- M.Tech – AI & Data Science
- M.Tech – Internet of Things (IoT)
- M.Tech – Electronics Engg. (Advanced Communication Technology)
- M.Tech – Electronics Engg. (VLSI Design & Technology)
- MBA – Master of Business Administration (6 specializations: Business Analytics, Finance, Marketing, HR, Operations, IT)
- MCA – Master of Computer Application (2 Years)
- IMCA – Integrated MCA (5 Years)

4.3 Diploma Programmes (3 Years)

- Diploma in Civil Engineering
- Diploma in Mechanical Engineering

4.4 Lateral Entry

- B.Tech Lateral Entry (for Diploma holders – direct 2nd year)

5. CAREER DEVELOPMENT CELL (CDC) & PLACEMENTS

The Career Development Cell (CDC) at AITR is the dedicated engine that drives student employability. Established in 2007, the CDC bridges the gap between academia and industry through structured training, mock interviews, soft-skills development, and campus recruitment drives. AITR consistently achieves strong placement outcomes year after year, making it one of the most placement-focused institutions in Central India.

CDC Established	2007
Group Director – CDC	Prof. Atul N. Bharat (20+ years campus recruitment experience)
Sr. Manager – Placements	Mr. Rajesh Tyagi
Manager – Placement & Training	Mr. Amit Shrivastava

Top Recruiters (Representative List)

TCS, Infosys, Wipro, Capgemini, Cognizant, Deloitte, IBM, Hexaware, Amazon, Walmart, Birlasoft, Impetus, YASH Technologies, Virtusa, Bajaj, HCL, Tech Mahindra and many more leading MNCs and Indian corporations.

CDC Services for Students

- Resume building and CV review workshops
- Mock interview sessions (technical + HR)
- Aptitude and reasoning training
- Communication and soft-skills development
- Industry expert guest lectures and seminars
- Hackathons and coding competitions
- Internship and live project facilitation
- Campus placement drives with 250+ companies annually

6. RANKINGS & RECOGNITIONS

- NAAC 'A' Grade — National Assessment and Accreditation Council
- Platinum Rating — AICTE-CII Survey for Industry Linkage (2019 & 2025)
- Top 100 Private Engineering Institutes — Data Quest Rankings
- Top 150 Private Institutes — Outlook ICARE Rankings
- Selected among 49 institutes nationally for AICTE-IDEALAB establishment
- NABL Accreditation — Civil Engineering Material Testing Laboratory
- NBA Accreditation — Multiple B.Tech programmes
- IT Department: Best HoD Award & Best Programmer Award (multiple consecutive years)
- IT Department: Recognized by Google as one of the most active Google DSC Clubs
- Certification from National Institutional Ranking Framework (NIRF)
- ECE Department: Developed Humanoid Robots for Indore Airport and Indore Traffic Police

7. INFRASTRUCTURE & FACILITIES

Academic Infrastructure

- 10+ state-of-the-art computer laboratories (CSE alone has 400+ systems)
- 2 dedicated Language Labs (62 systems each) with K-Van software for Humanities
- Advanced Engineering Labs: UTM, CTM, CBR, Impact Testing (Civil); Mechatronics Lab; Robotics Lab (Mitsubishi 8 kg robotic arm — ECE)
- EDUSAT-ISRO Lab: Online lectures from premier institutions like IITs
- SKF Centre of Excellence (ME Dept): Industry-standard bearing maintenance and vibration analysis training — first in Central India
- Centre of Excellence in Electric Vehicles (ECE Department)
- AICTE-IDEALAB (Idea Laboratory) — innovation and prototyping hub
- Central Library: 55,000+ books, national and international journals, e-resources, digital library subscription
- Simulation Labs, CAD/CAM Labs, and software-equipped computer centers in each department
- Seminar halls and a central auditorium

Campus Facilities

- Sports facilities: Cricket, Football, Basketball courts
- Cafeteria on campus
- Transport network covering the entire city of Indore
- Women's Cell and Anti-Ragging Cell
- ERP-based student and faculty management portal (erp.acropolis.in)
- Online classes and NPTEL / NITTR / Virtual Labs integration

8. PROFESSIONAL BODIES & STUDENT CLUBS

Professional Body Chapters

- IEEE Student Branch (ECE)
- ACM Student Chapter
- IETE Professional Society Student Forum
- CSI Student Branch

Student Clubs & Cells

- Cyber Security Cell
- Coding Clubs
- Yavnika Hobby Club
- Women's Cell
- Sports & Cultural Committee
- IIPC – Industry Academia Interface
- NPTEL Learning Cell

9. ADMISSION PROCESS

Admissions at AITR are conducted through a transparent, merit-based process under the regulatory framework of the Directorate of Technical Education (DTE), Madhya Pradesh, ensuring fair opportunity for all eligible students.

B.Tech Admissions

- Eligibility: 10+2 (PCM) with 45% marks (40% for SC/ST)
- Admission via: Online Off-Campus Counselling by DTE Madhya Pradesh
- Entrance Exam: JEE Main score (preferred, but not mandatory for all categories)
- Lateral Entry (2nd year): For diploma holders via DTE counselling

MBA Admissions

- Eligibility: Graduation with 50%+ marks
- Entrance Exam: CMAT (or equivalent)
- Total Seats: 60 (General category and other reservations as per MP Govt norms)
- Fees (2025-26): Rs. 1.39 Lakhs - 2.27 Lakhs (total 2-year course)

MCA / IMCA Admissions

- MCA (2 Years): Merit-based in last qualifying examination
- IMCA (5 Years Integrated): Merit-based; direct entry after 10+2
- Admission through DTE MAM counselling

Scholarships Available

- Merit-based scholarships for top-ranking students
- Need-based financial assistance
- AICTE Scholarship and Fellowship Schemes (refer: aicte.gov.in/schemes)
- State government scholarships as per MP Govt rules
- Contact the Admission Office or visit aitr.ac.in/scholarship for current schemes

Note: For accurate and current fee details, please contact the Admission Office or the respective department directly.

10. RESEARCH & CONFERENCES

- ICIH – International Conference on Interdisciplinary Horizons (ICIH-2025 and ICIH-2026 hosted at AITR)
- ACROSET 2025 – Annual technical conference (acroset.in)
- RAMSITA-2025 – Research conference (ijaitr.in/conference)
- ICI3-2024 – International Conference hosted at AITR
- IJAITS – International Journal of AITR (peer-reviewed, ijaitr.in)
- Faculty with 40+ research papers and 6+ patents in a single department (CSIT)
- Active R&D in AI, IoT, VLSI, Electric Vehicles, Robotics, and Data Science
- Industry-academia research partnerships through IIPC

11. INDUSTRY PARTNERSHIPS & MOUs

- SKF India Ltd. – Centre of Excellence for Bearing Technology (ME Dept)
- IETE – Institute of Electronics and Telecommunication Engineers
- IEEE – Institute of Electrical and Electronics Engineers
- Google – Active Google Developer Student Club (DSC)
- AICTE-IDEALAB Partnership (one of 49 selected institutes nationally)
- Multiple MOU partnerships with IT and manufacturing industries for internships and placements
- Indore Airport and Indore Traffic Police – humanoid robot deployment by ECE Dept students
- EDUSAT-ISRO Lab for satellite-based learning from IITs and premier institutes

13. AI ASSISTANT — Q&A KNOWLEDGE BASE

This section provides structured question-and-answer pairs for RAG retrieval. These are the most common queries students, parents, and professionals ask about AITR.

13.1 General Institute Queries

Q: What is AITR?

A: AITR stands for Acropolis Institute of Technology and Research, a premier private engineering college in Indore, Madhya Pradesh, established in 2005. It is NAAC 'A' Grade accredited, AICTE approved, and affiliated with RGPV (for B.Tech/M.Tech) and DAVV (for MBA/MCA). With 5,500+ students and 350+ faculty, it is one of the top engineering institutions in Central India.

Q: What are the courses offered at AITR?

A: AITR offers B.Tech in CSE, CSIT, IT, CSE-AI/ML, CSE-Data Science, CSE-IoT, CSE-Cyber Security, Civil, Mechanical, ECE, ECE-VLSI, and ECE-ACT. Post-graduate options include M.Tech, MBA (6 specializations), MCA,

and IMCA (5-year integrated). Diploma programmes in Civil and Mechanical Engineering are also available.

Q: Is AITR a good college?

A: Yes. AITR is NAAC 'A' Grade accredited and has received a Platinum rating from the AICTE-CII Survey for Industry Linkage. It ranks in the Top 100 private engineering institutes (Data Quest) and Top 150 (Outlook ICARE). The ECE department has developed humanoid robots for Indore Airport and Traffic Police, reflecting the practical, innovation-driven culture of the institute.

Q: What is the address of AITR?

A: Campus: Bypass Road, Manglia Square, Manglia, Indore, Madhya Pradesh - 453771. City Office: 301, Starlit Tower, Yeshwant Niwas Road, Indore, Madhya Pradesh - 452003. Phone: 0731-4730000, 4730001.

13.2 Admission Queries

Q: How do I get admission in B.Tech at AITR?

A: B.Tech admissions are done through Online Off-Campus Counselling by the Directorate of Technical Education (DTE), Madhya Pradesh. Candidates need to qualify 10+2 (PCM) with 45% marks. JEE Main score is beneficial. Visit aitr.ac.in/admission-enquiry for the current admission form.

Q: What is the fee structure at AITR?

A: For accurate and up-to-date fee details, please contact the Admission Office at admission@acropolis.in or call 0731-4730000. MBA fees for 2025-26 are approximately Rs. 1.39 to 2.27 Lakhs for the full 2-year programme. Scholarship options are available for meritorious students.

Q: Are there scholarships available at AITR?

A: Yes. AITR offers merit-based and need-based scholarships. Additionally, AICTE Scholarship and Fellowship Schemes and state government scholarships are available. Visit aitr.ac.in/scholarship or contact the admissions office for current schemes.

Q: Does AITR have hostel facilities?

A: AITR does not have an on-campus hostel. However, the institute provides a comprehensive transport network covering the city of Indore. Students can explore accommodation options near the campus. Contact the institute at 0731-4730000 for assistance.

13.3 Department & HOD Queries

Q: Who is the HOD of the CSE department at AITR?

A: The Head of the Computer Science and Engineering (CSE) Department is Dr. Kamal Kumar Sethi (Professor and Head). The CSE department has 10 state-of-the-art labs and 400+ systems.

Q: Who is the HOD of the ECE department at AITR?

A: The Head of the Electronics and Communication Engineering (ECE) Department is Mr. U. B. S. Chandrawat (Mr. Uday Bhanu Singh Chandrawat).

Q: Who is the HOD of the IT department at AITR?

A: The Head of the Information Technology (IT) Department is Dr. (Prof.) Prashant Lakkadwala. The IT department has won the Best HoD Award for consecutive years and is recognized by Google as one of the most active DSC clubs.

Q: Who is the HOD of the CSIT department at AITR?

A: The Head of the CSIT (Computer Science and Information Technology) Department is Dr. Shilpa Bhalerao (Ph.D in Computer Science, 24+ years of academic experience). Email: hodcsit@acropolis.in.

Q: Who is the HOD of the MCA department at AITR?

A: The Head of the MCA / IMCA Department is Prof. Geeta Santhosh (Professor and Head, MCA, Ph.D). Email: hodfca@acropolis.in.

Q: Who is the HOD of the Physics department at AITR?

A: The Head of the Physics Department is Dr. Sushma Patidar (Associate Professor and Head; Ph.D, M.Tech, M.Sc). Email: hodphysics@acropolis.in.

Q: Who is the HOD of Humanities at AITR?

A: The Head of the Humanities Department is Prof. Sumitra Joshi. The department has 2 Language Labs with 62 systems each and K-Van software for communication skills training.

13.4 Placement Queries

Q: What are the placements like at AITR?

A: Placements at AITR are consistently strong. The Career Development Cell (CDC), established in 2007, coordinates all placement activities. Top recruiters include TCS, Infosys, Wipro, Capgemini, Cognizant, Deloitte, IBM, Amazon, and many more. For specific placement data, contact the CDC at 0731-4730000.

Q: Who is in charge of placements at AITR?

A: The Career Development Cell (CDC) is headed by Prof. Atul N. Bharat (Group Director, 20+ years of experience). The team also includes Mr. Rajesh Tyagi (Sr. Manager - Placements) and Mr. Amit Shrivastava (Manager - Placement and Training).

Q: What is the CDC at AITR?

A: The Career Development Cell (CDC) is AITR's dedicated placement and career support division. It provides resume building, mock interviews, aptitude training, soft-skills development, hackathons, guest lectures, and campus recruitment drives. Students can approach the CDC for all placement-related queries.

Q: What companies recruit from AITR?

A: Leading companies recruiting from AITR include TCS, Infosys, Wipro, Capgemini, Cognizant, Deloitte, IBM, Hexaware, Amazon, Walmart, Birlasoft, Impetus, YASH Technologies, Virtusa, Bajaj, and many others. For company-specific or package-specific data, please contact the CDC Department directly.

13.5 Leadership Queries

Q: Who is the Director of AITR?

A: The Director of Acropolis Institute of Technology and Research (AITR) is Dr. S. C. Sharma.

Q: Who is the Chairman of AITR?

A: The Chairman of the Board of Governors (BoG) is Shri A. K. Sojatia. The Group Chairmen are Shri Ashish Sojatia and Shri Gaurav Sojatia. The Secretary is Shri Anand Sojatia.

13.6 Facilities & Infrastructure Queries

Q: What labs does AITR have?

A: AITR has 10+ computer labs in CSE alone (400+ systems), Language Labs (Humanities), Mechatronics Lab, Robotics Lab (Mitsubishi 8 kg industrial robotic arm in ECE), SKF Centre of Excellence (ME Dept), Centre of Excellence in Electric Vehicles (ECE Dept), AICTE-IDEALAB, Material Testing Lab (NABL accredited), Simulation Labs, EDUSAT-ISRO Lab, and specialized labs across all departments.

Q: Does AITR have sports facilities?

A: Yes. AITR provides sports facilities including Cricket, Football, and Basketball courts, along with a cafeteria and a comprehensive city-wide transport network.

Q: What is the library like at AITR?

A: AITR's central library holds 55,000+ books, national and international journals, e-resources, and a digital library subscription. It supports all engineering and management programmes with comprehensive reference material.

14. AI RESPONSE GUIDELINES

The following guidelines must be followed by any AI assistant deployed to represent AITR:

14.1 Core Behavioural Rules

- Always remain polite, professional, and respectful in every response.
- Never provide false, misleading, or unverified information.
- Keep responses concise, clear, and helpful.

- If information is unavailable, clearly state so and direct the user to the appropriate contact.
- Always maintain a positive, professional image of AITR.
- Never share negative or damaging information about the institute.

14.2 Standard Response Templates

Q: If asked about fees or scholarships:

A: "For accurate and current fee or scholarship information, please contact the Admission Office at admission@acropolis.in or call 0731-4730000."

Q: If asked about placements:

A: "Acropolis Institute (AITR) provides excellent placement opportunities through the Career Development Cell (CDC), headed by Prof. Atul N. Bharat. Top companies like TCS, Infosys, Wipro, Capgemini, and Amazon recruit from AITR regularly."

Q: If asked for specific placement packages or student-specific data:

A: "We apologize, but detailed placement package information is not available here. Please contact the CDC Department directly at 0731-4730000 or visit aitr.ac.in for official placement information."

Q: If asked about HOD of ECE:

A: "The HOD of the Electronics and Communication Engineering (ECE) Department is Mr. U. B. S. Chandrawat (Uday Bhanu Singh Chandrawat)."

Q: If asked about admission process:

A: "Admissions to B.Tech programmes at AITR are conducted through DTE Madhya Pradesh's counselling process. For MBA, CMAT scores are required. Visit aitr.ac.in/admission-enquiry to apply or get more details."

Q: If asked about Professor Imran Baig :

A: "He is a professor of Electronics Communication and Engineering Department (ECE) ,holding a experience of more than 15 years of experience. He is the inventor of traffic robot and the head of the EV innovation lab at the college. "

Q: Who made you ?

A: "The professor of Electronics and communication (EC) department and his team of students made me. "

Q: Who made the traffic robot in indore ?

A: "The professor of Electronics and communication (EC) department and his team of students made the traffic robot which was installed Near SICA School Indore . "

Q: How many traffic robot are there in indore ?

A: "There is one traffic robot in indore , which is located near SICA school indore."

Q: who made the airport robot ?

A: "The professor of Electronics and communication (EC) department and his teams of students made the robot which is there at airport.
